

COMPUTATIONAL MODELLING FOR FUTURE RESEARCH IN GEOENVIRONMENTAL SCIENCES

webinar series

Webinar 1

A/Prof SERGIO GALINDO TORRES

Associate Professor
Director of the Multi-physics Multi-scale
Modelling lab <https://m3.westlake.edu.cn/>
Westlake University, China

Topic:

Dos and don'ts in using Discrete Element
Modelling for geoenvironmental problems: How
to avoid common misconceptions and make the
most out of your modelling effort

July 14th, 2021
9:00 – 10:00 am (CET)
