

Polymer Support Fluids in Geotechnical Engineering

Workshop exploring recent developments and ongoing challenges

Tuesday 10th Sept 2024 12 noon – 8 pm

Venue: Imperial College London Room RSM G38

Chair: Prof. Stephan Jefferis

Registration and lunch: 12 noon – 1 pm

Industry Perspective (1-3 pm)

Chris Barker, ARUP

Prof. Jim De Waele, University of Birmingham

Rowena Verst, IGW-Geotechnik

Christophe Justino, Bachy Soletanche

Ronan Royston, Ward and Burke

Recent Research Findings (3:30-5:30 pm)

Dr. Ken Sorbie (Heriot-Watt University)

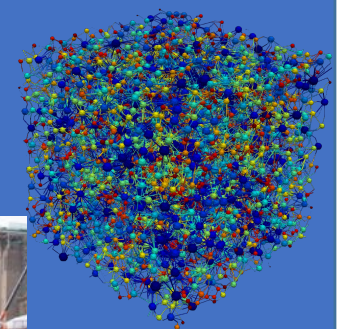

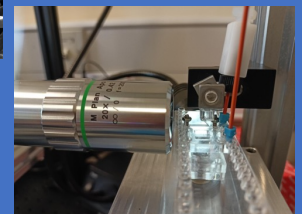

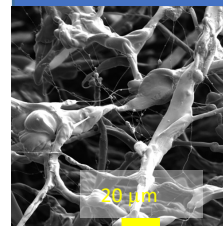

Dr. Si Suo (Imperial College London)

Dr. Callum Cuttle (University of Oxford)

Ms. Marina Bortolotto (University of Cambridge)

Mr. Yongxin Wang (Imperial College London)

Poster Session (5:30-6:30)

Registration fee (including networking dinner)
Members of British Geotechnical Association (BGA) : £75
(Before July 31)

Young Members of BGA: £50 (Before July 31)

Other participants / After Aug. 1: £100
