THE UNIVERSITY OF EDINBURGH
School of Engineering

IChemE ADVANCING CHEMICAL ENGINEERING WORLDWIDE

中国颗粒学会
Chinese Society of Particuology

CALL FOR PAPERS

7th UK–China International Particle Technology Forum

&

UK Particle Technology Forum

will be held jointly in *Edinburgh* on **28–31 July 2019**

Conference themes to include:

① Particle design, characterisation and measurement
② Particulate processes and manufacturing
③ Multiscale and multiphase modelling and simulation
④ Geotechnical and environmental applications and processes
⑤ Particle technology in energy engineering applications
⑥ Emerging technologies and novel engineering applications

IMPORTANT DATES

January 31st, 2019 → Two page abstract submission deadline

March 1st, 2019 → Notification of abstract acceptance

May 1st, 2019 → End of *early bird discounted* registration

- IChemE Young Researcher Award
- Best Poster Award
